STEM CELLS
ORGANS
& TISSUES

Join the **Easter Blood Drive BC** *Partners For Life* Group and donate together to recharge, feel lighter, brighter, and better!

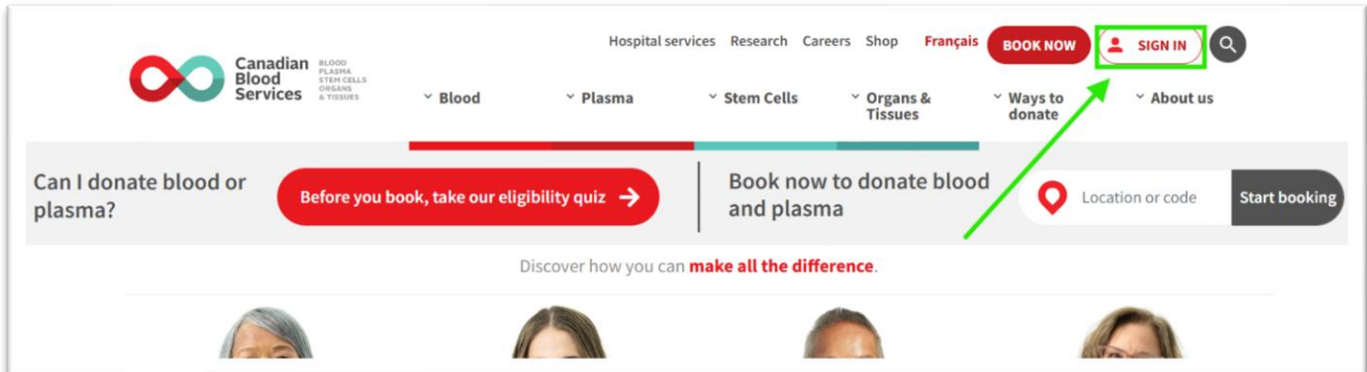

How:

Please scan the QR Code below, or follow the steps starting on the next page to join the Partners For Life Team!

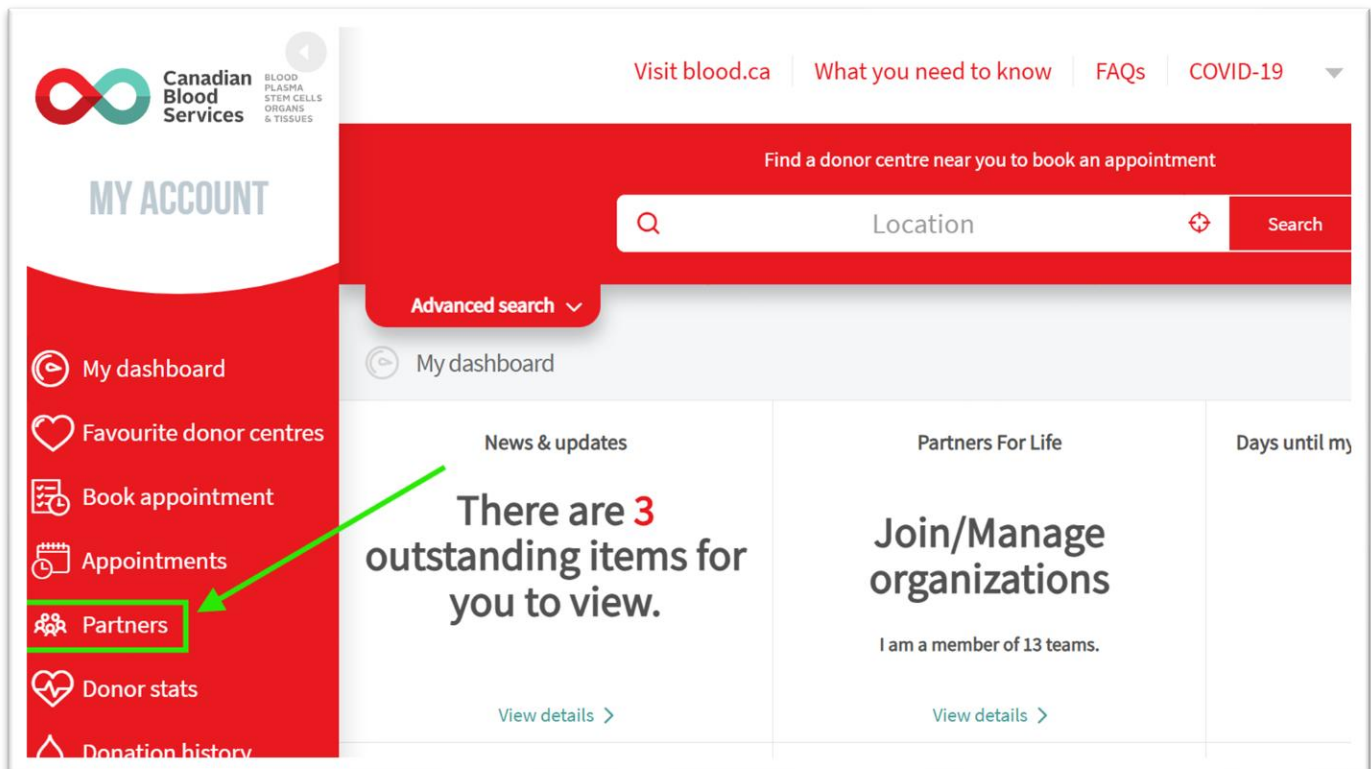

Easter Blood Drive BC (EAST0129854) – PFL Team QR Code

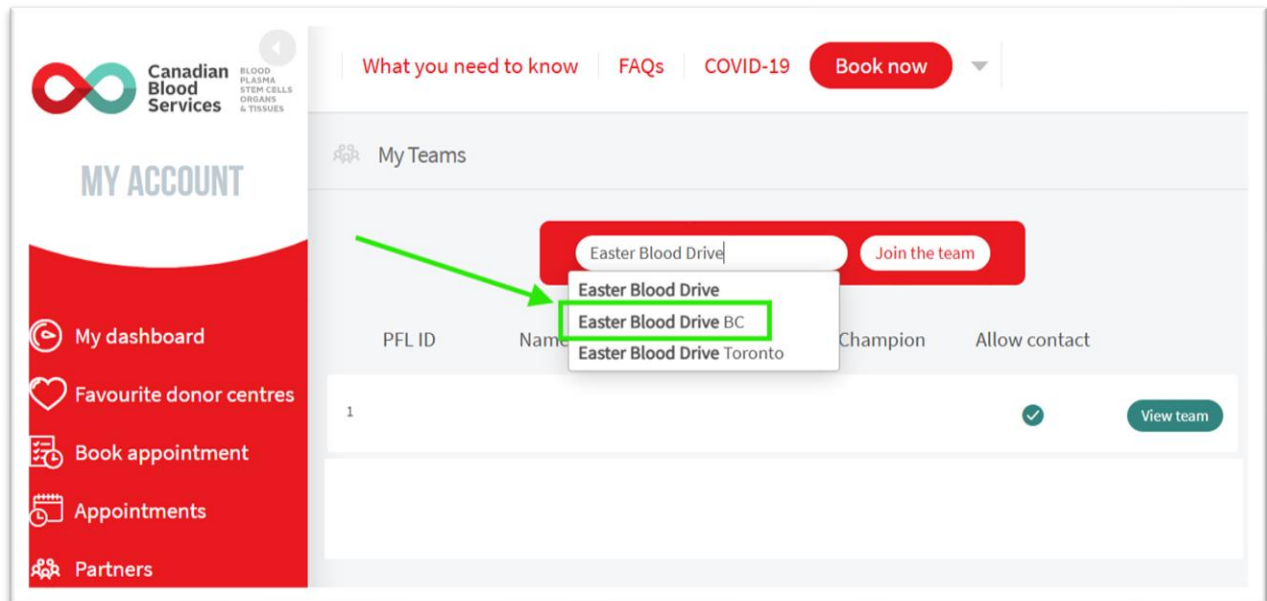

1) Head to www.blood.ca & Sign into or create your **personal donor account**:

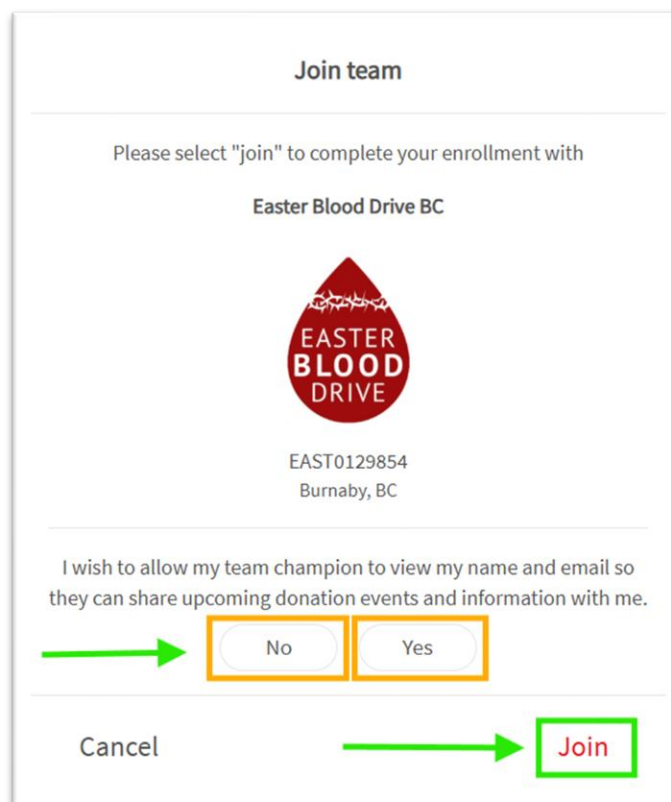

2) Once signed in, from the left navigation panel, select the **Partners tab**:

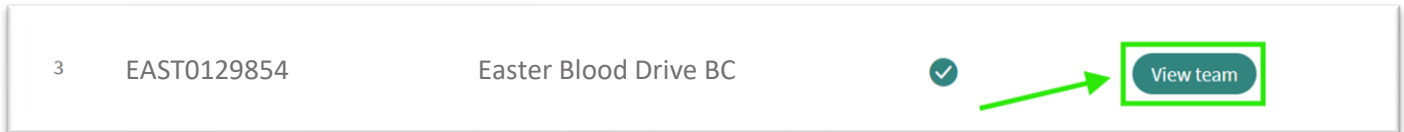

- 3) At the top of the Partners Portal Page, there will be a search bar. Enter 'Easter Blood Drive BC' and the team will auto populate:

- 4) Select, **Join the team**, and this window should pop up! To note, allowing the 'team Champion to view your name and email' is simply just agreeing that Ricky Yeung (Team Champion) can view your email and name, but none of your other personal donor account information:

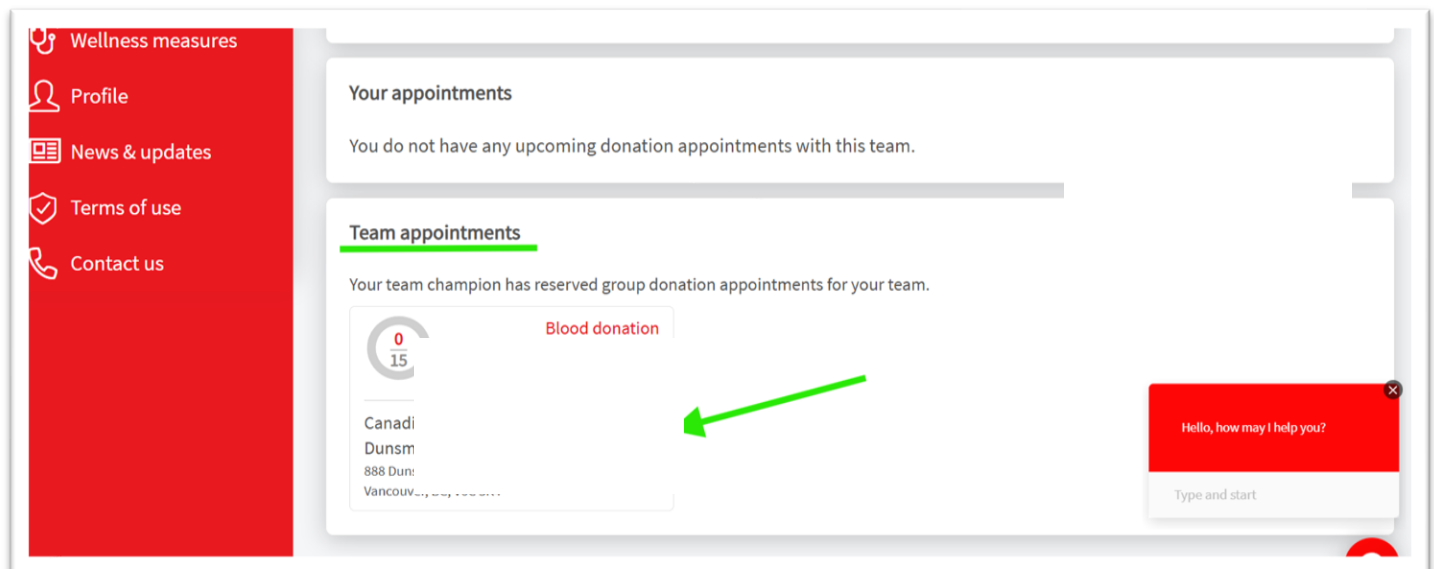

5) Now that you have joined the team, select **'View Team'** within the Partners Portal, to enter the team's portal at any time. From here, you can view team stats, any upcoming reserved team appointments, or edit your information if needed!

➤ Any upcoming reserved group appointments will be at the bottom of the page under **'Team appointments'**. If none are currently booked, you may also donate at any convenient CBS location that works for you!

(*this image is an example and not reflective of an actual team/group booking*)

Thank You for supporting patients in need!

To note: The above screenshots are pulled from the web at www.blood.ca; however, you can also access this all on our **GiveBlood** App as well!

Book your time to donate blood on **GiveBlood** mobile App or call **1-888-2-DONATE** and go online to **blood.ca**
